Clay Breece  
Chairman  
Berks County Republican Committee

The excitement is growing and so is the Berks County Republican Committee! We have grown in membership by 50% since last July. Our Summer Picnic had the best attendance in over 20 years and similarly with the Fall Dinner in over 12 years.

Interest in the Berks County Republican Committee, our shared Republican values and our Republican elected officials and candidates are growing exponentially. We are active on social media, and our followers on Facebook increased by almost 600% in 150 days.

We are committed to turning the growth, interest and enthusiasm into Republican victories in November. There is much at stake in Berks County this year. Our county is needed to help deliver winning votes in 2 statewide judicial races. The Republican judicial candidates strongly believe that judges should not legislate from the bench, while Democrat judges constantly look for ways to justify government overreach and overregulation. This is harmful to our families and business community.

Locally, Berks County has benefited tremendously from years of fiscally conservative and transparent Republican leadership. In 2019, our county and local Republican candidates are fully committed to lower taxes, fostering a business-friendly environment, fiscal responsibility, economic growth, providing quality schools for our children and protecting our unique quality of life.

**Your financial support is essential for Berks County Republican Committee's success!** We must ensure Republican victories in this year's election and beyond. We cannot win unless we have the resources to get our message out to the voters.

We are launching two premier donor programs, the Chairman's Club and the Lincoln Club. *We are excited to announce our first Lincoln Club Reception is April 4<sup>th</sup> with special guest, U.S. Congressman Dan Meuser. Please consider joining one of these two clubs to help us continue our progress and strongly support our Republican candidates.*

Maria Diesel, our Fundraising Consultant and I will be in touch with you to discuss the donor programs and how your support is crucial to our county's future. Thank you for your consideration!

Sincerely,

Clay Breece  
Chairman
